

Can you help us create an unforgettable 20th anniversary show?

North Country Theatre is 20 in 2016 and we want to celebrate. For the first time we are going to do Shakespeare ~ **What You Will (or Twelfth Night)**

We want to bring together a large cast of actors well known to North Country audiences for an outdoor production in late June early July in stunning venues. But to do this we need some extra sponsors.

A 100 club of £100 sponsors would put us well on the way – and there are other options too!

- ◆ For £100 you will receive one complimentary ticket and programme plus an acknowledgement in the programme
- ◆ Donate £500 and you will get five complimentary tickets and a programme acknowledgement *PLUS* Your Name or Company written into the script!
- ◆ A donation of £1000 gets you five complimentary tickets, an advert in the programme for an organisation of your choice *PLUS* a walk on part [for one night only] for you or a nominated person
- ◆ And then of course if you want to see Shep – that's £5000...
